

Sanchita

Aspiring AWS Cloud Engineer | Python | Cloud & DevOps

Phone: 8147064174
Address: Mysuru, Karnataka, India
LinkedIn: <https://www.linkedin.com/in/sanchita-027b67367>
Email: sanchita.c.naik@gmail.com

Enthusiastic Computer Science undergraduate with a strong interest in full stack web development, cloud computing, and DevOps. Skilled in Python and building cloud-based solutions, with hands-on project experience including an NGO donation tracking system and an explainable AI application for urban flood resilience. Eager to apply and grow my skills in AWS and DevOps practices through an entry-level software development role.

EDUCATION

Holy Redeemer High School Hosanagara, Shivamogga

SSLC

Result: 86.88%

Junior PU College Hosanagara, Shivamogga

PUC > Science

Result: 87.86%

Maharaja Institute of Technology Thandavapura, Mysore
